

PRODUCT DESCRIPTION

The Insulvent one-way roof vent provides pressure equalization in the roof system. It is spun from heavy gauge aluminum with a unique cap design that shields against entry of wind-blown rain or snow.

Features include:

- Quick & easy installation
- Extra wide base opening with security cap
- Made from heavy gauge spun aluminum
- Provides pressure equalization
- Economical, all-metal breather used for venting for all types of insulation
- Vandal proof cap
- Secures plumbing vent stacks
- Protects roof penetrations

PRODUCT SELECTION

Part No.	RD-BV-1000
Description	Aluminum one-way roof vent
Pkg. Wt.	30 lbs.
Pallet Qty.	350
